CULTURE OF COMMUNITY

by Principal Angie Price

Dear TOPA-Buckeye (Apache) Team Members,

Welcome to the 2017-2018 School Year! This year we are embracing a Culture of Community. Mother Teresa once said, "I alone cannot change the world, but I can cast a stone and create many ripples." We have a wonderful school environment and a wonderful opportunity to create positive change in our community. Each of our actions, no matter how little they may be, begins a ring of ripples. When we choose positivity and solutions over complaints or frustration, we inspire positive change in the others around us! I love our school community, and I am excited to see the impact that we will have if each day we choose to spread ripples of excellence into the city of Buckeye and beyond.

The annual Patriot Day Ceremony will be held on **Thursday, September 11th at 7:30AM** on the basketball courts. Please join us for a time of reflection and remembrance while we honor the first responders, military personnel, and veterans who serve our country and community.

Scholars may wear a red, white and blue for a donation of one dollar. Proceeds will benefit the Arizona 100 Club,

Parents, family members and friends to who are first responders, military personnel, veterans are invited to dress in uniform for recognition and a thank you gift.

...and logic classroom

Feel free to do anything that does not cause a problem for anyone else.

I will treat you with respect, so you know how to treat me.

If you cause a problem, I will ask you to solve it.

Hello Buckeye Campus Argonauts,

Unexpectedly this past year I had a change of responsibilities with our school.

I am now working in our district office and doing all I can there to help make your educational experience fun and smooth. I wanted to quickly tell you all that I am thankful for the opportunity I had to work with each scholar and parent at the Odyssey Preparatory Academy, Buckeye Campus. We have great scholars and parents here and I will miss being able to spend time with you all in the capacity of Principal. I have many fun experiences and memories that I will look back on often. I know you are in great hands with Mrs. Price and Mrs. Boyd at the helm.

Thank you all for making my learning adventure special and enjoyable. I appreciate your support, kind words and especially your trust in taking care of your scholars. I will see you all around the campus when I am there for my new responsibilities and I hope you all have a great school year. Go Argonauts!
